To

C.S.Balasundaram Iyer,Esqr.,B.A.,
Offg: Secretary to the Government
of His Highness the Maharaja of Mysore,
General and Revenue Departments,
Bangalore.

SIR,

H. U.
([illegible])

Adverting to Government Proceedings No.G.2679-88/G.M. 108-07-2 dated the 24th October 1907, I have the honour to inform you that the two clocks belonging to the office of the Superintending Engineer, Western Circle, which was located in the Public Office Buildings, since its abolition, remained in this office. The charge of one rupee sanctioned in the above Proceedings to be paid to Mr.Muhamed Nizamudin, Clockwinder and repairer, to look after these clocks, continued to be debited to the contingencies of this office. After the constitution of the Northern Circle they were transferred to the office of the Superintending Engineer which is now located in the block occupied by the Executive Engineer, Bangalore Division, and the Comptroller requested to debit the charge to the office contingencies of that officer. To enable him to do so, the Comptroller is of opinion that the original order of Government which was passed on the assumption that the clocks were in the Public Office Buildings, requires modification.

I submit the papers for the orders of Government. Mr.Muhamed Nizamudin is paid a fixed salary (Rs.25) to look after a number (78) of clocks, among which are included specifically the two in question. It seems therefore reasonable that the order may be modified as suggested by the Comptroller, if Government consider such a modification necessary.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Chief Engineer,

Mysore P.W.D.

5
Bangalore Divn:, requesting sanction of Govt. to debit to the contingencies of the latter Office the sum of Re1. sanctioned in the G.O. of the 24.10.07 towards the clock winding charges of the former Office.

Order Recom: — G.O. 15-16/Gen 188-10-2.

Sanctioned.
